Sec 3

4 February 1983

1. Headquarters Polygraph School

[] announced the recent graduation of four examiners from the new Headquarters Polygraph School. He stated that he and senior OS managers are very pleased with the graduates and the School's progress. [] mentioned that the Army and NSA have expressed interest in Community-wide polygraph training at Huntsville, Alabama, but due to the success of the Headquarters Polygraph School, he does not expect the Agency to be an active participant.

5. C/ISSG Briefs DDA

In response to the DDA's continued interest in computer security, the Chief, Information Systems Security Group, briefed the DDA regarding ISSG accomplishments, goals and mission. Messrs. McMahon and Briggs will also be briefed in the near future. [REDACTED]

6. SACS Expansion

There is continued interest in expanding use of the Secure Access Control System (SACS). [REDACTED]

7. PARC

[REDACTED] stated that the PARC Committee has been very 25X1
active in its effort and he advised that a new class began
training on 3 February 1983. [REDACTED] students are enrolled 25X1
in this class. [REDACTED]

8. Possible Relief Regarding FOIA/PA Requests

[REDACTED] stated that there is some hope for relief in the
volume of Freedom of Information Act/Privacy Act requests to
which the Agency responds. He advised that the next session
of Congress will examine the FOIA/PA issue and are expected
to consider response on "finished intelligence" only. If
this is adopted, the number of requests to which the Agency
responds will be greatly reduced. [REDACTED]
